

DAY 16, SEPTEMBER 28 & 29, UNIT 1.5

Agenda

1. 7.5 Theories of Development
2. [Panorama Survey](#)
3. Finish Gender Dolls; due by end of class period

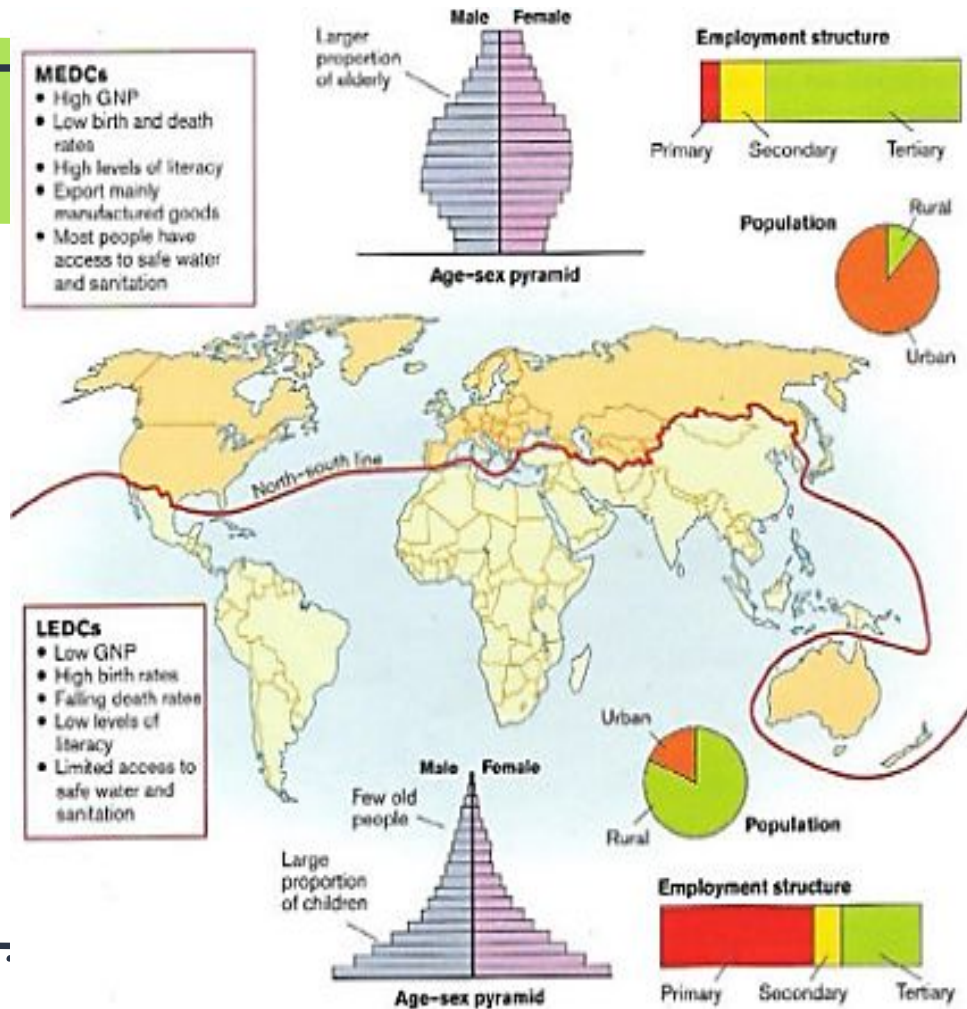

Reminders:

1. Ch. 10 Reading Guide due 10/2 (A), 10/3 (B)
2. 10/1: Deadline for regular registration of national exam

WARM UP

The Brandt Line is a division of the world between the “rich north” and the “poor south.”

1. List three factors that would explain the development disparity between the north and south.
2. How might this map have changed since 1980?

Key

Newly industrialised countries

7.5 THEORIES OF DEVELOPMENT

Explain different theories of economic and social development.

OVERVIEW OF THEORIES

Rostow's Modernization Model,
Wallerstein's World System Theory

COUNTRY EXAMPLES FOR ROSTOW'S MODERNIZATION THEORY

Stage 1: Traditional Society

- ✗ Early British Colonies in US; current groups like Central African Mbuti, Australian Aborigines, & the Inuit of Northern Canada
- ✗ Not seen across entire countries today

Stage 2: Preconditions for Takeoff

- ✗ US in early 19th century
- ✗ Afghanistan today

Stage 3: Takeoff

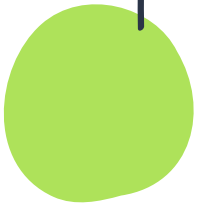

- ✗ US in mid-19th century
- ✗ Bangladesh today

Stage 4: Drive to Maturity

- ✗ US in late 19th century
- ✗ Brazil today

Stage 5: High Mass Consumption

- ✗ US 1920s - today
- ✗ Japan today

INSTRUCTIONS

Read the “Theories of Development” and take notes in relevant Guided Notes sections and complete application of Theories activity and Comparative Thinking Questions included in guided notes.

When complete,

- 1) **Take Panorama Survey** - visit this [link](#) to get started. (20 minutes needed to complete); student id number is your access code. Use a lower case “s” before your ID number.
- 2) Turn in **Gender Dolls** which are due at the end of this period.
