Due by end of class on 9/28 (A day) & 9/29 (B Day)

You will not have the full period on 9/28 and 9/29 to complete the Project as you will have work to do on theories for most of the class period.

Country Assignments

Once you are assigned a number, you will then review this link of countries by number. Find the number you were assigned in column 1. The country named listed beside your number is the country you are to do your project on.
