

Day 23, Unit 2, October 20 & 23

1. Finish Country Research
2. Create Population Poster

Translation: Less births, better births
to develop China vigorously

Partners can split responsibilities:
Once you are agree on design &
slogan for poster, have one partner
create poster and the other will write
the paragraph. Give each other
feedback to improve work quality. .

Day 2: Propaganda Poster

- © Propaganda: Using information from your research, create an original slogan that reflects your country's population policy/stance. Draw/create an original image/illustration based on your slogan. You are trying to persuade citizens to take action for their perceived country's well being.
- © On your own notebook paper you will write a paragraph that addresses the following topics:
 - a. Country's current concern re population growth or decline (Anti or Pro). What are they worried about?
 - b. Describe specific current policies the government have put in place to impact population growth or decline.
 - c. Any known effects of current policies or predictions.
 - d. Did country have earlier policies in place that were different than what is currently in place now? What were they and what were the results/effects of those previous policies?
