Origins & Diffusion of English Document Questions

The documents can be found in Schoology - same day's folder as this document.

	GUIDING QUESTIONS	Summarize your main ideas in response to the questions on the left in the space provided below.
Doc 1	1. Which theory is more appealing to you? Why 2. Do you think language is more likely to spread through war or peace? Why 3. How does the fact that a hit 80's film stars a Kurgan help explain why the warrior theory is more popular?	
Doc 2	1. How can language be traced back to its origin? 2. How did the Norman (French) and Germanic Invasions (Saxons/Angles/Jutes) influence Old English? 3. How did class (social status) influence English? 4. Which types of diffusion did you observe in these videos?	
Doc 3	1. What do you notice about the two maps? What conclusions can you make, based on your observations? 2. Note two examples from Prezi Map that illustrate an example of English spread outside of the British Isles. 3. According to Prezi Map, identify and describe what event brought American influence on the spread of English. 2. Which type(s) of diffusion is/are being demonstrated here?	

Doc 4	1. What do you think it means when the author writes that English was “systematically promoted as a civilizing tool”? 2. The list above has been shortened. However, what do you think about the reasons given by Filipino teachers for using American English as their standard? 3. Why might a country still use the language of a former imperializer?	
Doc 5	1. Why do you think these songs feature English lyrics? 2. What are the potential impacts of including English lyrics in a song that caters to a non-native English speaking audience? 3. What type of diffusion is being used here? How do you know?	
Doc 6	1. Why does the Prime Minister of Taiwan want to make English an official language? 2. Observe the chart of languages spoken in Taiwan in 2010. What challenges may the country face if English is made an official language? 3. How might the indigenous languages of Taiwan be impacted by the Prime Minister’s decision? What’s being done to preserve these languages? How optimistic are you about the success of these preservation efforts? 4. Which type of diffusion is being demonstrated here?	
Doc 7	1. How’s the Morrison-Mike family trying to preserve the Inuktitut language in their home? 2. What are their reasons for teaching their children the language? 3. What barriers do they face?	

Conclusion - FRQ Writing:

IDENTIFY and DESCRIBE TWO processes by which language diffusion can take place.

IDENTIFY and EXPLAIN TWO examples that show how globalization is contributing to English becoming the world's lingua franca.

EXPLAIN the relationship between language diffusion and endangered languages.
